

Response Letter:

Derivation of Casimir Effect without Zeta-Regularization

(Dated: April 9, 2024)

Dear Editorial Office,

Thank you for notifying me of the transfer of my manuscript, "Derivation of Casimir Effect without Zeta-Regularization" to AIP Advances. I am pleased to have my work considered for publication in your esteemed journal.

I have reviewed the manuscript and made any necessary changes. I have also addressed all of the reviewer comments in a cover letter, which is attached to this email.

I am ready to proceed with the final steps in the transfer process and would appreciate it if you could let me know the next steps.

Thank you for your time and consideration.

Sincerely,

Ching-Hsuan Yen
